

# Measure O

# FACT SHEET

## San José 911 - Fire - Police - Paramedic

# Neighborhood Security Act Bond Measure

## The Cost

- ♦ Bond amount is \$159,000,000
- ♦ Cost to the property owner: average annual tax of \$19.02 per \$200,000 assessed property valuation
- ♦ Dedicated to capital construction; will not be used for associated operating and maintenance expenses
- ♦ Cost of operating the Police and Fire facilities is planned to increase gradually over the 7-9 year improvement period

## The Benefits

- ♦ Improve Police, Fire and Paramedic response times
- ♦ State-of-the-art 9-1-1 Emergency Communications Center
- ♦ 8 new Fire Stations
- ♦ Upgrade 20 fire stations
- ♦ Four Community Policing Centers: one in each of the North, South, East and West areas of San José
- ♦ Build the Police Department's only Substation in South San José
- ♦ Modernize and expand training facilities for Fire and Police personnel

## Project Details

---

Funds would be used to improve San José's Fire, Police, and paramedic response times and to expand community policing efforts by: adding and improving fire stations and police stations; improving training facilities; and creating a state-of-the-art 9-1-1 communications facilities.

A citizens committee would oversee expenditure of funds. Improvements would be completed within 7-9 years.
